

NORWAY AND SOUTH PARIS, MAINE, JULY 31, 1891

you send us names and addresses.

the following facts in regard to the herd of A. J. C. C. Jerseys owned by J. L. & H. L. Horne of Norway.

got cast. Mr. V. arrived in season  
cut him loose and see him rise partly  
and full back a dead weight. It is

100

This image appears to be a scan of a book cover or endpaper, but it is severely degraded. It shows extreme vertical banding and horizontal streaking, likely due to poor reproduction quality or damage to the original document. The left edge is dark and textured, possibly representing the book's binding. The main body is light gray with dark, irregular horizontal bands and vertical streaks. A small, dark, rectangular object is visible near the bottom center.
